

## **Amulet of Ashes proudly supports Halsham Pet Crematorium**

Halsham Pet Crematorium is a personal and professional pet crematorium located between the historic market town of Hedon and the seaside resort of Withernsea in Holderness, East Yorkshire.

Their peaceful location offers a friendly, respectful pet cremation service in idyllic rural surroundings

As pet owners they appreciate the difficulty in losing your beloved companion. Their friendly and approachable team are there to put your mind at ease that your pet is at rest peacefully.

The chapel of rest is a specifically designed room for you to take your time to say your goodbyes in private. Pets are personally cremated by one of the team ensuring high standards of customer care offering support and compassion throughout. Their rural surroundings encourage all domestic pet owners to cherish your final memories in a beautiful natural environment
